**Prayers:** We pray for all those returning to education, for teachers, staff and pupils. We pray especially for Grayswood School: for new ways to maintain the ties between school and our Church; for Fi as she delivers assemblies, for Richard who reads to the older years, for Jane who works there, for Jackie and Paul as Governors. May those who attend events taking place this term in Church experience the love of God and the presence of the Holy Spirit.

**Church Development Tool Survey: a way of planning together.**

This year we are running the survey in this church. It's a quick, anonymous survey that we're inviting everyone in the church to complete, to help us shape our prayers and our planning as a church for the year ahead. What we find out will help us see where we're doing well, and help us discern areas where God might be calling us to do something new or different. To complete the survey online scan the QR code or visit: <https://www.achurchnearyou.com/church/8178/surveys/church-development-tool/survey/>  
There are a few paper copies at the back of church (place completed surveys in the porch box). Please respond by September 15<sup>th</sup> so we can discuss the results at our next PCC. Thank you!
