**The Church Development Tool:  
a way of planning together.**

This year we are running the Church Development Tool survey in this church. It's a quick, anonymous survey that we're inviting everyone in the church to complete, to help us shape our prayers and our planning as a church for the year ahead.

What we find out will help us see where we're doing well, and help us discern areas where God might be calling us to do something new or different.

To complete the survey online scan the QR code or visit:

<https://www.achurchnearyou.com/church/8178/surveys/church-development-tool/survey/>

There are a few paper copies at the back of church (place completed surveys in the porch box).

Please respond by September 15<sup>th</sup> so we can discuss the results at our next PCC. Thank you!
