Policies: I have had queries from several people regarding the necessity and relevance of all these policies. We are following CofE, Diocese and Safeguarding best practice that applies to employees and volunteers. The policies are mandatory or strongly advised. Where possible I have tried to make the policies relevant to All Saints, recognising we are a small church, serving a 'rural' community with less than 5 employees. Most of the content of the policies or guidance we are already doing, but do not have the documentation to support this. Unfortunately, if it is not written down, we cannot prove this but conversely if it is documented we have to ensure we are doing it! Please familiarise yourself with those relevant to your role.
Thanks Tracy Garland PCC Sec
